+ Specialty Coatings not listed are processed M-F depending on volume of tools. The average has been 3 days.

Our current specialty coating scheduled runs are as listed below:

Other specialty coatings are available – please call with any questions, Thank You!

	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
ZrN	+ Monday a.m.				
nACo				+ Thursday a.m.	
nACRo					+ Friday a.m.

+ To meet this coating schedule, ALL products must be at the *ACS shop by 4:00pm of the previous day*, unless otherwise agreed upon.

+ ACS needs a total of 6.5 hours in our shop to process an order for the complete Cleaning and Coating of any product. This does not include packing and shipping time. We cannot rush the coating chamber time!

+ ACS will do everything in its power to accommodate any emergency orders, same-day delivery, drop-shipment, and specialty coatings.

Please call ACS to help you meet any of the above needs or any concerns regarding expedited orders. All expedited orders will be subject to an emergency charge.

THANK YOU
